# CIEC Summer Camp 2019

**July 15 - August 16, 2019**

July 15, 2019 when all the beautiful memories started to grow and become a part of everyone's brain and heart. The day were no boundaries of nationalities and diversity of races exists.

It all started when 32 Chinese Students arrived in the Philippines to experience a lifetime learning of English in CIEC-Summer Camp at Crown Regency Hotel. Teachers, Students, Managers and Parents were hand-on-hand to help and see the progress of every classes. After a week, another batch of students and nationality arrive.

The seventeen Korean students added a spice to the 5 weeks Summer Camp. Then, weekend activities began as both of them shared the experience of "It's more fun in the Philippines

**Weekdays** also were a mix of learning and enjoying. Every day students had to study Book Journal, Vocabulary and wrote Diary as part of their nightly activities. Aside from their regular man to man and group classes. They also enjoyed a little activities every Wednesday. The students enjoyed the amenities offered by Crown Regency Hotel such as the swimming pool. Not just that, since they were here in the Philippines. Students enjoyed the Filipino Games were they test their teamwork, determination, and strategies to win each games with the help of the teachers. Adding to the interesting part of their 5 weeks experience was the K-pop were they have to perform it in their graduation day.

The highlight of their 5 weeks program was their Graduation Day where teachers, students, and managers gathered to celebrate the hard work of all the students in learning English. That night, students sang the graduation song and tears began to fall, hugs, kisses, and much "thank you" and "I will miss you" overloaded that night. CIEC Summer Camp 2019 gave a remarkable experience to everyone's mind and heart. As they said "a memory is a beautiful thing, it's almost a desire that you miss."

**See you next time students and thank you!**

# CIEC WEEKEND ACTIVITY

## WEEKEND ACTIVITIES

Weekend Activities were so fun, challenging, tiring, and at the same time enjoyable. That's why students were always excited every weekend for they want to know what something that CIEC can bring on their table.

Students going to WestTown Lagoon and Papakits were they enjoyed different fun activities such as horse-riding, zip line, and fishing, they also visited Mactan where they had an Island Hopping. The Hopping Tour in Mactan is also a time that different nationalities joined to enjoy one common weekend activity as this was also the beginning of their strong friendship were no boundaries of ages, lifestyle, culture and nationalities.

During camp season, students will also have a City Tour in Sto. Nino Church, Magellan's Cross, Port San Pedro and the Laser Gun in J Center Mall. They had their lunch in one of the famous fast food Restaurant-McDonald. Another weekend activity happened at House of Hope, a place for many less fortunate children were studying.

In this moment, they became the young parents of these young kids as they fed, gave gifts, played with them and even had great time talking and knowing each other. Another momentous moment for them as they saw and experienced another rare activity that really closes to their hearts.

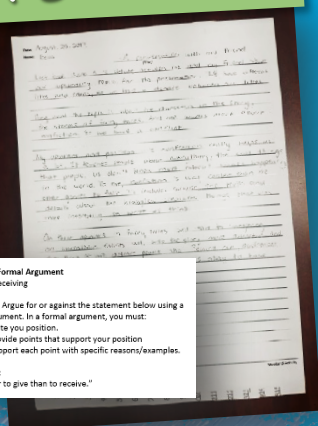

# Weekend PLUS

## Survey

Questions are the most common form of interaction and for our students to express their views and thoughts, they were tasked to create a survey questionnaire, using grammar question form, and conduct a survey which is a perfect tool in building up their communication and interpersonal skills.

## Argument

**Making A Formal Argument**  
Giving & Receiving

Directions: Argue for or against the statement below using a formal argument. In a formal argument, you must:

1. State your position.
2. Provide points that support your position
3. Support each point with specific reasons/examples.

Statement:  
"It is better to give than to receive."

One of CIEC's objective is to sharpen students writing skills which allows them to express and foster ability to explain and refine ideas. A Formal Argument writing task was given to our students the following day, from getting accustomed to structuring a formal argument and making a draft, that allows them to merge their thoughts and develop ideas, to coming up with a final output.

# NEW CIDEC STUDENTS

Another four students are enrolled in CIDEC senior high school department. Vietnamese students Lai Dinh Loc Giang (Lee), Lai Dinh Truong Giang (Jackie) and Nguyen Truong An (Billy), and Korean student Lee Min Woo (Tony) are all studying in CIDEC Grade 11. Their ultimate goal is to finish senior high school and improve their English communication skills to enter Universities abroad.
